Year 7 Meet the Teacher and Information Night Wednesday 11 February 2026

Meet the Teachers
Start time – 5:00pm
(Hall, then classrooms to follow)

We value strong partnerships with families and work collaboratively to support every student in reaching their full potential.

For this reason, I invite you to this evening to ensure your student has the best start to high school.

Throughout the evening, you will meet some key staff and we will be reviewing:

- What's Care?
- Year 7 Curriculum routines including assessment and homework with your student's CORE class teachers
- Use of laptops at home plus practical tips on parent controls

We look forward to meeting you on the night and plan to conclude by 6:30pm.

Yours sincerely,
