Selecting your Sport / Activity

Only sports/activities that require payment will need to be selected. This will be done via the Humanitix app, where selection and payment will occur. Therefore, students will need to make their sport/activity selection at home with a parent/guardian.

Early booking and payment will secure your spot.

Refunds/ Change of Sport

There will be no option to change sports/activities once the activity has been selected and paid for.

In exceptional circumstances (listed below), where the student is unable to participate in their chosen sport/activity, the parent/carer can request a refund via the Humanitix app. This will be approved by the school. Once a refund has been processed, the student will be asked to select an alternative activity.

Exceptional circumstances include:

- The student has moved into or out of a Sports Excellence class.
- The student has a medical certificate stating they are unable to continue in their chosen activity
- The chosen sport/activity has been cancelled due to low numbers/team entries.
