

Dear Parent/Caregiver,

RE: PBC BUILDING FUND CONTRIBUTIONS REQUEST

At Palm Beach Currumbin State High School, we pride ourselves in providing quality facilities to support the very best opportunities for our students. Every year the PBC SHS P&C invests significant resources in order to improve our school facilities.

In previous years the P&C has provided, and continues to provide, funds for the Library Plus Project (completed in 2020). This is a wonderful modern facility encompassing a welcoming library, additional classrooms and multipurpose spaces. The additional funding provided by the P&C made this much more than a 'Library' as was intended by the State Government. Recently, 'Big Ass' fans have been installed in the school hall thanks to a significant contribution from a local family, which was matched dollar for dollar by the P&C. Our latest enterprise will see five chilled and filtered water bubblers installed across the school to keep our students hydrated. This has been achieved thanks to a charity drive on the fundraising website Pozzible, and extra funds available in the P&C 'Building Fund'.

The PBC SHS P&C requests that each family consider a contribution of \$50 towards our P&C Building Fund. Donations will be distributed for ongoing payments required to facilitate the loan for the Library Plus Project and other future projects such as school murals, and a planned upgrade to the pedestrian/cycle access at the southern end of the school. Suggestions for projects come from both members of the P&C and the school community. We welcome any suggestions or ideas you may have to make PBC the best possible experience for all our students.

A modern high-quality educational environment supports each of our students to achieve their potential. We look forward to continuing to work together with our community to provide an environment that lives up to our school motto "Nil Sed Optima", nothing but the best.

Please see below instructions on how to make your donation today. All donations are tax deductible.
