Parents & Citizens' Association
Application for Student Support

Dear Parent,

The Palm Beach Currumbin State High P&C Association has supported students who have been State and National representatives for many years. We feel that it is an important role of our Parents & Citizens Association to support families who have encouraged their young people through school, zone, regional and state trials; and who then are often faced with significant costs at interstate and national level.

Therefore, the P&C Association will consider funding up to 50% of the compulsory levied costs (up to the value of \$250.00 per year) for students who are representing Palm Beach Currumbin State High as a Queensland or National representative.

Dear Student,

Congratulations on your achievement in being selected for representation at State or National level.

Please read the attached conditions before completing and submitting your application along with the supporting information that is required.

When you return from your trip, the P&C Association would love to hear about your experience in representing our school at such a high level.

We wish you every success.

Yours faithfully,

Melanie Allen
P&C President

CONDITIONS FOR FINANCIAL SUPPORT

Please carefully read the conditions below so that you are aware of your obligations.

1. You should have reached State or National level by representing Palm Beach Currumbin State High (PBC) through District and/or Regional representative processes, or you have been chosen in an Australian team to travel overseas in one of PBC's sport excellence sports but not through the District and/or Regional representative process.
2. Your behaviour, attitude and effort at school should be such that it warrants your being a representative of PBC.
3. As a representative of PBC, your commitment and behaviour while away should be of a high standard in keeping with the values and reputation of PBC.
4. Your application must be completed in full and supported by copies of Queensland School sports official letter outlining the compulsory levies to be paid with a copy of your receipt of payment, plus a brief letter explaining in your own words, why your application should be considered by the P&C Executive Committee.
5. Other financial support for travel costs and related sponsorships must be fully disclosed with your letter of application.
6. Your application must be supported and signed by the Head of Department Sports Excellence. Only applications recommended and submitted by the PBC Head of Department will be considered by the P&C Executive Committee.
7. The P&C Executive Committee will consider other P&C commitments and objectives when assessing applications for student support, and reserves the right to accept or decline applications, and or vary the amount of financial support.
