

School Council Elections

As an Independent Public School our School Council plays an integral role in the governance of our school. It is important that every parent understands the work the council will undertake in this year as it will have significant impact on the strategic direction of our school.

The school council is responsible for providing strategic advice to the principal and overseeing the governance of the school. Training is provided to new members.

School council members serve a two year tenure and we would like to acknowledge the following members who have recently completed their time on the council:

Erin Hull – Teaching Representative
Jane Clancy - Parent Representative

Accordingly, vacancies exist for:

- 1 x Teaching Representative
- 1 x Parent Representative

This year the school council will be responsible for providing advice about the implementation of PBC's Strategic Plan. Members of the council will play an essential role not only in shaping this plan but keeping key members of the school's leadership to account on the key agendas and strategies.

If you are interested in being involved in this work, I encourage you to nominate for the school council.

Details of the nomination and election process are as follows:

- All self-nominations close on 27 May 2025
- Instructions and forms for self-nominations are available on our school website under Our Community / School Council tab.

Please return your nominations to -
