

Instructions for Subject Selections in OneSchool

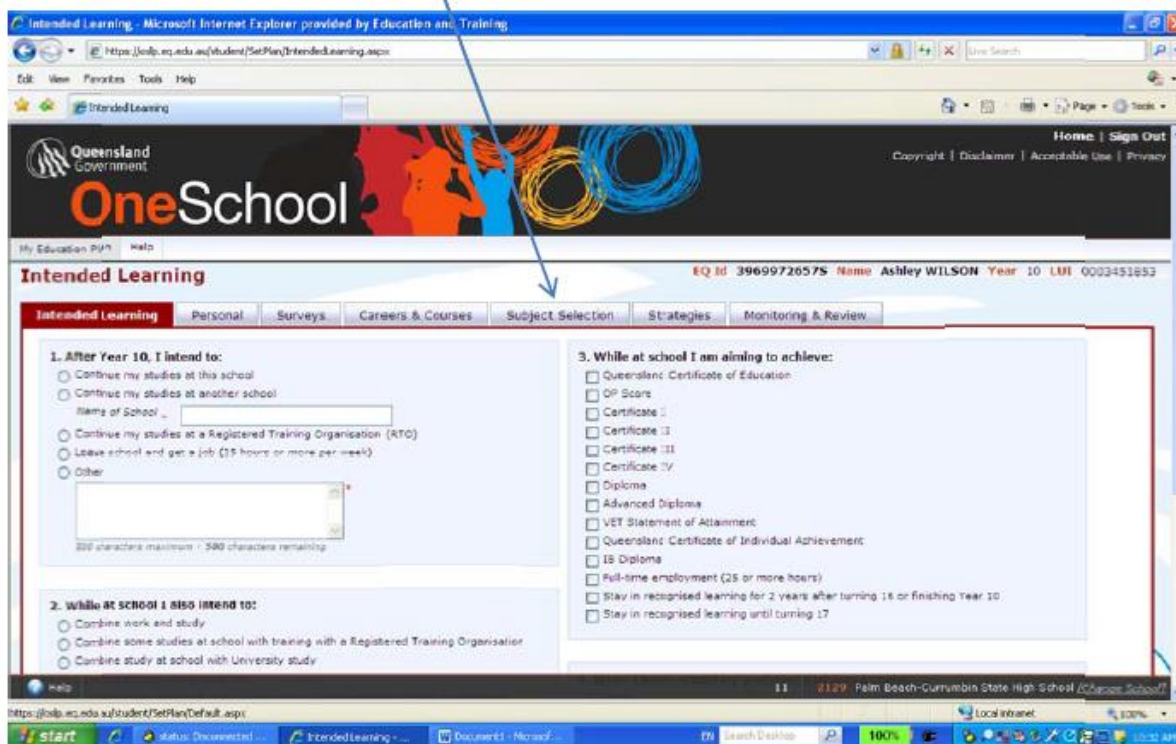

Go to <http://oslp.eq.edu.au> using your internet browser.

Students to log in using their school usernames and passwords (e.g. jsmit223)

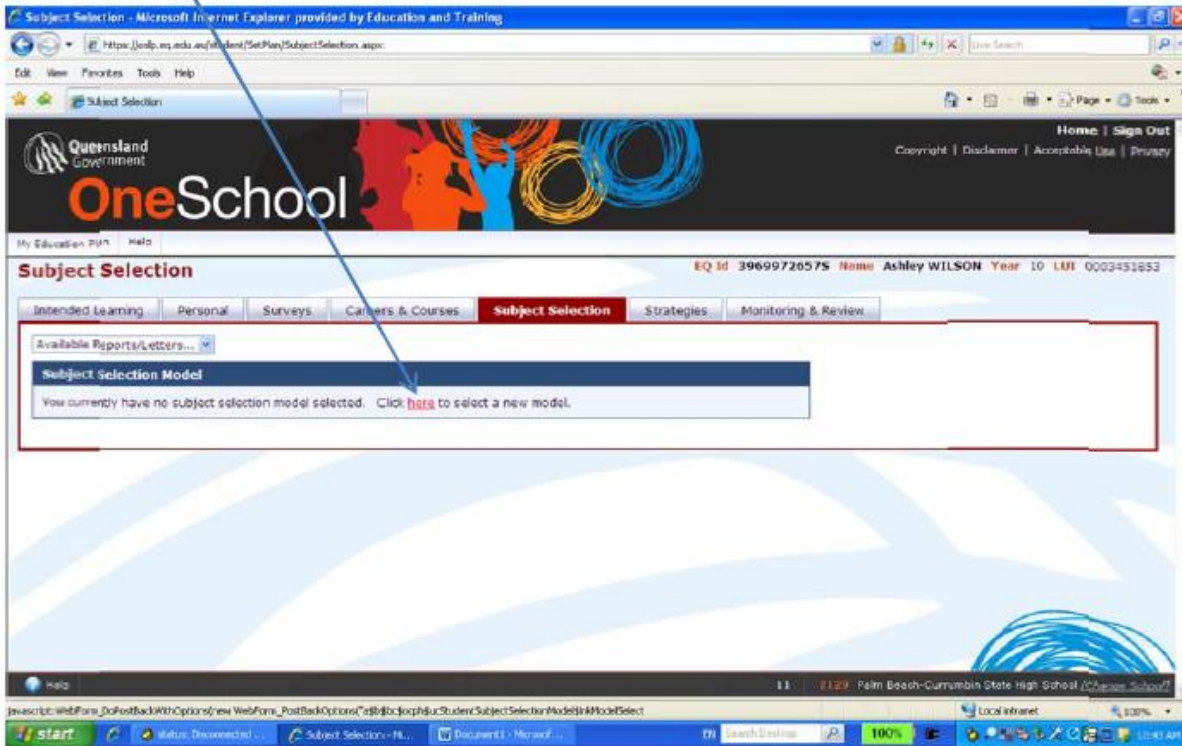

Click on My Education Plan to continue.

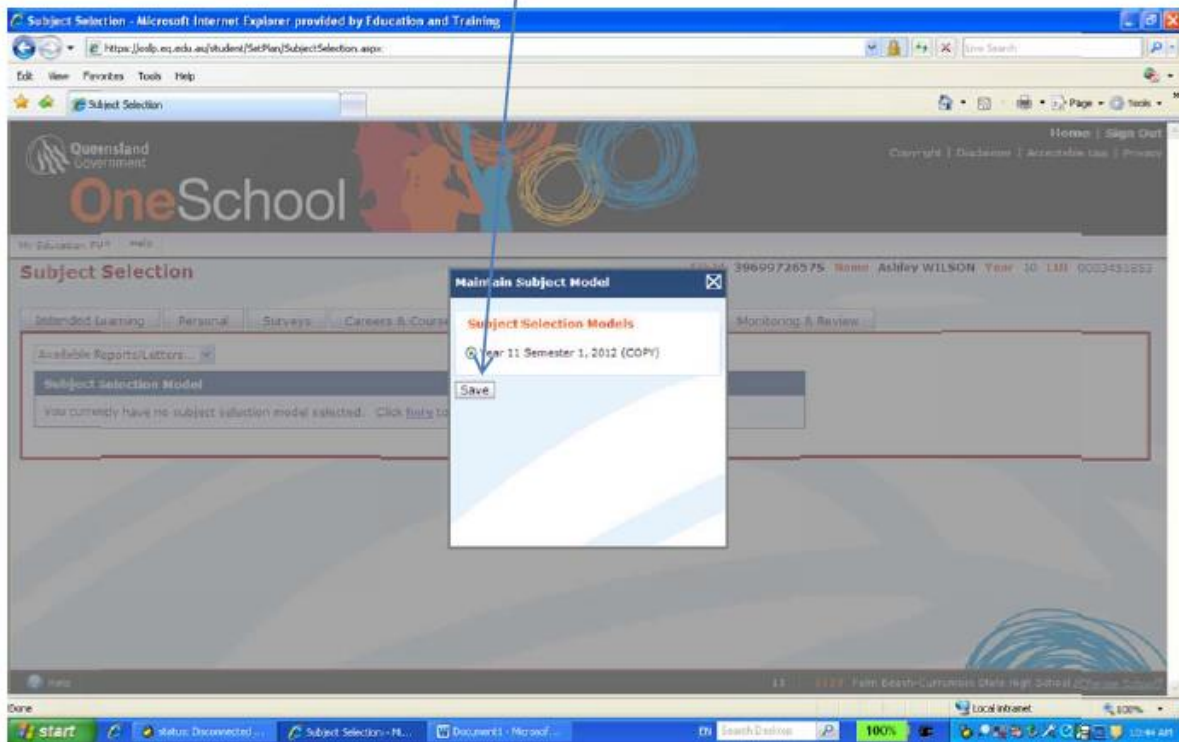

On the following screen press the Subject Selection tab.

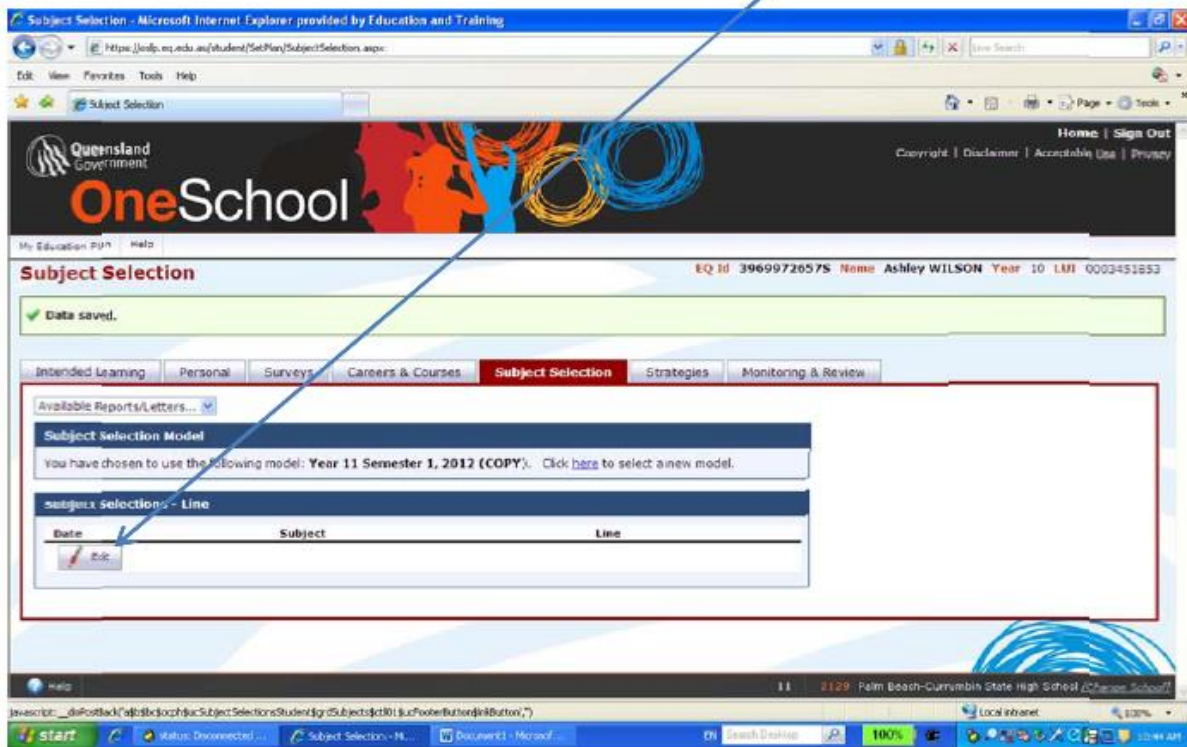

Click on the 'here' link to select a Subject Selection Model

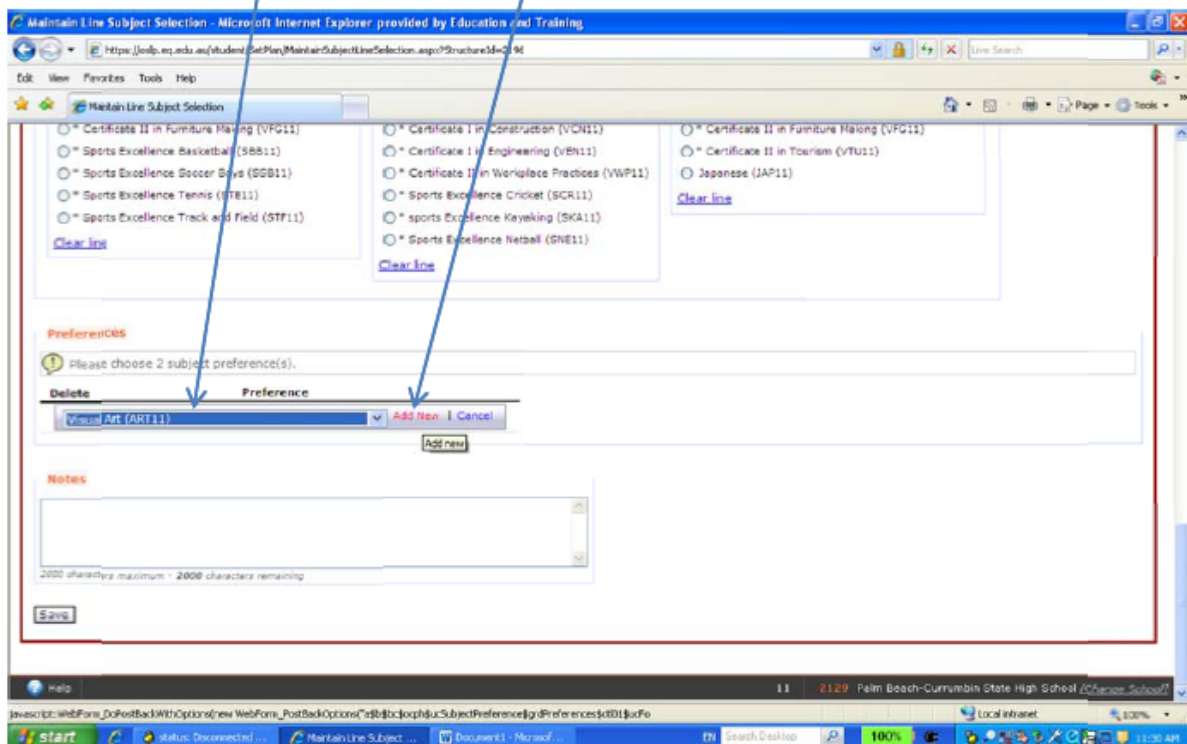

Select the only model available and press Save.

The selected Subject Selection Model should now display. Click Edit to start entering subjects.

Each student must list two extra preferences (reserve subjects) in case other classes are full. Select the first from the drop down list. Press Add New to add the subject to the preference list.

The student repeats the process for the second preference. You should now see two preferences.

Once all subjects are selected press Save.

The screenshot shows a web browser window titled "Maintain Line Subject Selection - Microsoft Internet Explorer, provided by Education and Training". The address bar shows the URL: <https://joolp.eq.edu.au/student/SetPlan/MaintainSubjectLineSelection.aspx?StructureId=2195>. The browser window displays a form with the following sections:

- Subject Selection:** Three columns of radio button options for selecting subjects. The first column includes Modern History (HMS11), Recreation Studies (RST11), and Sports Excellence Aussie Rules (BAR11). The second column includes Music Extension (MUX11), Philosophy and Reason (PHR11), Physical Education (PED11), and Recreation Studies (RST11). The third column includes Economics (ECON11). Each column has a "Clear line" link below it.
- Preferences:** A section with a message "Please choose 2 subject preference(s)." and a table of preferences. The table has columns for "Delete" and "Preference". Two preferences are listed: "Information Technology Systems (ITN11)" and "Chemistry (CHE11)", both with a red "X" in the delete column.
- Notes:** A text area for entering notes, with a character count of "2000" and "Please maximum: 2000 characters remaining".
- Save:** A "Save" button at the bottom left of the form.

A blue arrow points from the instruction "Once all subjects are selected press Save." to the "Save" button.
