

PBC Uniform Code

PBC is a uniform school. All PBC students are expected to accept and support these standards of dress as determined by the Executive Principal and supported by the PBC P&C. This policy is an integral part of our school security program and supports the Queensland Department of Education, Workplace Health and Safety policy.

Students are required to wear the complete school uniform each day and students should present to school in a “fresh, neat and tidy” uniform at all times. This standard will ensure that PBC maintains its fine reputation in the community and enhances our public image.

Students are able to wear their Sports Excellence uniform for period 1 PE instead of changing from one uniform to another uniform.

Students will be able to wear whatever uniform they are in for period 4 home.

Therefore, students must be wearing the **complete dress uniform** or **complete sports uniform** in accordance with school routine. There is to be no mixing and matching of uniforms.

1. Students will be able to wear their sports excellence uniform for period 1 PE instead of changing from one uniform to another uniform.

2. Students will be able to wear whatever uniform they are in for period 4 home.

The expectation is that the students are always in a full school uniform of some description and there is no mixing and matching. Teachers on bus duty, please ensure that the students leave in a matching school uniform.

The reason for the changes are that there are a number of students who on certain days are expected to have three different uniforms at school and have three uniform changes through the day.
