

Investing for Success

Under this agreement for 2017 Palm Beach Currumbin State High School will receive **\$827,394***

This funding will be used to

- Improve PBC's National Minimum Standard Scores to above National Benchmarks in four domains of NAPLAN testing.
- Design and implement a data driven explicit literacy skills development program.
- Build a culture that promotes learning through effective student management and recognition and acknowledgment of positive behaviour choices by students.

Our initiatives include

- Collecting relevant and specific data to assess students' current performance, comprehensive analysis of data to determine the specific and targeted strategies required.
- Implementing identified actions and specific strategies for improvement in student performance.
- Implementing comprehensive professional development to support successful implementation of identified actions.

Our school will improve student outcomes by

<ul style="list-style-type: none"> • Implement a Literacy Program containing explicit literacy bites embedded within the Middle School English program across 7 – 9 to improve NAPLAN reading, spelling, language conventions and writing domains. 	\$315,000
<ul style="list-style-type: none"> • Implementing specific intervention strategies for identified target student groups e.g. Academic Excellence Students, PBC Literacy and Numeracy Program (LAN) and Quicksmart Literacy and Numeracy for identified learning support students. 	\$212,394
<ul style="list-style-type: none"> • Data analysis and implementing specific strategies to promote student learning through attendance intervention and implement a new pastoral care program based on Positive Education. 	\$300,000
