You must not host more than two international students enrolled in an international student program course, in your home at the same time unless we have given you approval in writing. If two students are hosted, they must not be from the same nationality or linguistic or cultural background unless we have given you approval in writing. You may host additional students on short-term study tours; however it is your responsibility to check the financial implications of these additional arrangements.

You must provide your Student with three meals each day and reasonable access to snacks.

Meals should be nutritious and in accordance with your Student's dietary and medical needs.

- e) assist your Student to participate in extra-curricular activities arranged or recommended by the school.

If we ask you to collect your Student from the airport when they first arrive in Australia without one of our staff being present, and you agree, you must notify us that your Student has arrived, once your Student is in your care.

You must:

Swimming

Please be aware that, regardless of their age, all water activities are high-risk. You must exercise extreme caution and ensure close supervision around home swimming pools, beaches and other bodies of water.

Students must take a Water Skills Assessment facilitated by the school if they would like to be approved to take part in any water activity. This means that both the Water Skills Assessment and Travel and activities form are required prior to participation.

CONDUCT AND BEHAVIOUR

Standard Terms and Conditions

We require your Student to comply with the Standard Terms and Conditions for our international students.

You must notify us immediately if you suspect or become aware that your Student has been involved in a breach of the Standard Terms and Conditions (for example, drinking alcohol, use of illegal drugs or any other illegal activity and breach of the 'Travel and Activities' clause).

Conduct by you, your residents and your visitors

You must ensure you and everyone in your home complies with the Strategy and the legislation governing Blue Cards in Queensland.

All people in the home should act in a way that would be appropriate when viewed by a third party (e.g. do not put themselves in a position where they are vulnerable to accusations of wrongdoing), for example by ensuring that:

- a) your Student is not alone with you or another person (e.g. another child) in a bedroom or bathroom with the door closed; and
- b) your Student is not permitted access to alcohol or offered alcohol by you or your guests.

Behaviour Management

You must notify us if you encounter a behaviour management issue that you are unable to resolve informally with your Student. We have a range of strategies to deal with student misbehaviour. In serious cases, your Student's participation in the homestay program or their enrolment with us may be cancelled.

You must never subject your Student to physical punishment or verbal abuse.

FEES AND PAYMENT

We will pay you homestay fees for the period that you have agreed to host the Student in your home. The amount of homestay fees and the dates that we will pay you are indicated in the Payment Schedule. If the Student chooses not to stay with you at any time, then you are entitled to payment (except during the December-January school holiday period when a holding fee applies). If you are unavailable to host the Student for a period of time, we may reduce the homestay fee payable to you for that period.

If the Student's course includes the December-January school holiday period, the Student must pay either homestay fees for that period they remain in the residence or the homestay holding fee for periods of absence.

We may vary the Payment Schedule by giving you a new Payment Schedule. The new Payment Schedule will replace the previous Payment Schedule from the effective date specified in the new Payment Schedule. We will use our best endeavours to give you at least four weeks' written notice before a new Payment Schedule becomes effective.

If we overpay you, we may reduce your future homestay fees by the amount of the overpayment or require you to repay the overpayment to us within 14 days. The overpayment will be a debt due and owing to us by you.

You must never request homestay fees directly from your Student.

The Terms and Conditions for Homestay Providers should be read in the context of, and in conjunction with the Standard Terms and Conditions and the Refund Policy.

If you have a question or concern about the payment of homestay fees, you must contact us.
